Client Reviews

“We can't thank Maria, the chef, the bartenders, and all the staff at the 408 enough for all they did to make our wedding at the 408 so perfect and memorable. Maria was truly the best event coordinator I could have asked for! We had several check-ins with Maria throughout the planning process in the months leading up to the wedding, which made me feel reassured that we were in good hands. The day of the wedding, she even set up all of our decorations and flowers. Additionally, she communicated with our other vendors, making the whole day run smoothly. All of our guests commented on how much they loved the food (the halibut and filet mignon were both amazing!) and atmosphere of the 408, including the lighting, the sound system, the size, the orange couches, the beautiful windows looking out over Broadway... It was such a memorable day for all of us!”

~ **Meredith & Tim**

“If you're in search of an intimate, modern, and contemporary venue for your wedding or special event, I wholeheartedly endorse 408. I echo the sentiments of another reviewer who raved about the venue's aesthetics, the delectable food, the skilled bartender, and the exceptional staff. Maria, the event manager, is a paragon of organization and a breeze to communicate with. She is truly remarkable in her ability to work with you to plan your timeline, and entrusting her with your special day will undoubtedly ensure a seamless and unforgettable experience. Thank you, 408!”

~ **Rashad & Justine**

“We held our wedding reception at the 408 and cannot speak highly enough about Maria, the 408 staff, and the entire experience. The food and drinks were incredible and the space itself is so gorgeous, we barely needed to do any decor. Loved using the rooftop as well for sunset photos! Highly recommend the 408 for any/all events as ours was an absolute blast and thanks to Maria, zero stress at all!”
